SISV CONFERENCE BIM AND THE QS

SISV Conference BIM & the QS .. SISV Conference BIM & the QS... SISV Conference

Make a Date with Us!

Date : 9 November 2012 (Friday)
 Time : 8.30am to 5.30pm
 Venue : Capital Tower,
 STI Auditorium, Level 9
 168 Robinson Road S(068912)
 (Exit F from Tanjong Pagar MRT)

About the Conference

Is BIM a threat and the demise of traditional quantity surveying or does it enhance the production and quality of the estimate and tender bills?

Find out these answers in this intensive conference with industry practitioners sharing their knowledge & experience. There will also be showcasing & demonstration of BIM tools & resources.

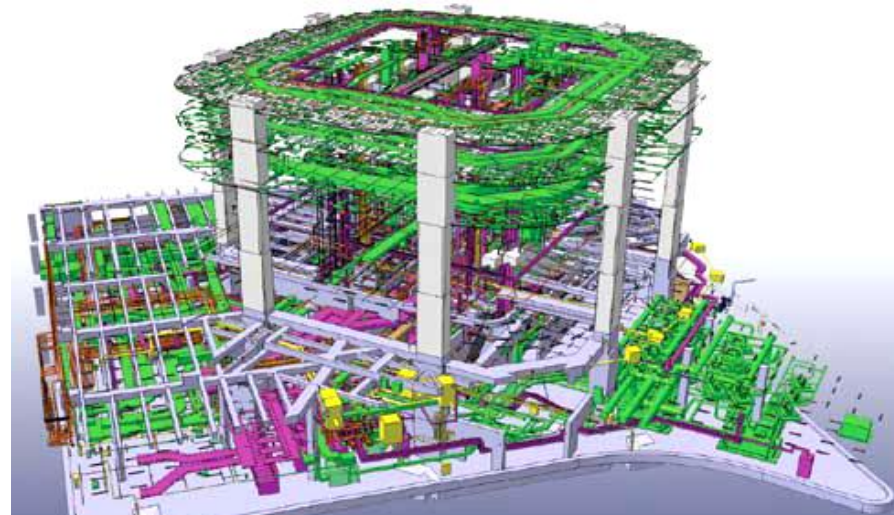

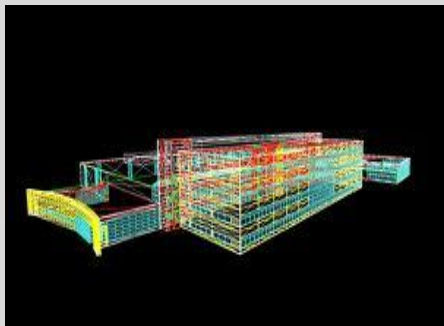

Conference Synopsis

Participants will be exposed to various aspects of BIM. The event covers areas from BIM adoption & application to the current 5D BIM approaches & its take off.

There will be presentation of BIM from a contractor's perspective; BIM collaboration and software demonstration; panel discussion and a plenary forum with local institutions sharing their focus & BIM curriculum.

Who Should Attend

All QS practitioners and those who wish to have insights of BIM operation, resources & tools, and how BIM can enhance productivity in the industry.
